

GIOVANIE IVAN V. MAGWARI

+63 994 3089 939 | giovaniemagwari@gmail.com | Brgy. Tangob, Lipa City, Batangas

PROFESSIONAL SUMMARY

Detail-oriented Communication graduate and Customer Service Advocate with hands-on experience across healthcare customer support, media operations, brand design, and administrative coordination. Proven ability to deliver clear, accurate, and empathetic support to customers while managing content, documentation, and cross-team communication in fast-paced environments. Strong foundation in office productivity, digital design, and multimedia tools, with a track record of adapting quickly to new systems and processes.

WORK EXPERIENCE

Customer Service Advocate – Healthcare Account (PDP)

Conduent, Lipa City | February 2026 – August 2026

- Respond to inbound customer inquiries on a healthcare (PDP) account, resolving concerns accurately while maintaining compliance with account guidelines and data privacy standards.
- Communicate complex healthcare and plan information in clear, easy-to-understand language to improve customer satisfaction and first-call resolution.
- Accurately document customer interactions and update account records to ensure continuity of service across the support team.
- Collaborate with team leads and quality analysts to identify recurring issues and support process improvement initiatives.

Technical Staff, Marketing Staff & Social Media Support (Internship)

98.5 Cool FM | 2024

- Supported daily technical and on-air operations during live broadcasts, ensuring smooth execution of programs.
- Executed marketing and promotional initiatives to strengthen audience engagement with station programs.
- Prepared and managed digital content for internal and external distribution across multiple platforms.
- Coordinated communication and documentation between departments to keep production schedules on track.

Brand Designer / Multimedia Staff

Humanitarian Legal Assistance Foundation, Inc. (HLAF) | 2024

- Designed communication and branding materials that strengthened the organization's visual identity.
- Produced presentations, reports, and multimedia content to support outreach and advocacy initiatives.
- Maintained visual and messaging consistency across all documents and communication materials.

Graphics and Layout Staff

SPES Program – Lipa City Government | 2022

- Created visual and informational materials to support government program communications.
- Organized documentation and layout preparation to streamline content production.
- Partnered with staff to meet project and event deadlines without compromising quality.
